IMPORTANT INFORMATION

PRICE All prices include GST. Prices are subject to assessing each job at the time of ordering and are subject to change without notice. Additional charges may apply for non-standard and/or customised orders.

DELIVERY Orders of \$300 or more are freight free. Orders under \$300 are subject to delivery charges as follows:

- Illawarra, Nowra & Southern Highlands \$10
- Sydney & Newcastle \$15
- NSW Country & Interstate \$20
(Tas, WA & remote areas may attract a surcharge)

ARTWORK You may submit your own artwork. **OR** we can prepare it for you *(charges apply)*.

Submitted artwork must be in an approved “*print-ready*” format including:

- “*Outlined*” (curved) fonts.
- Minimum of 2mm bleed on each edge (where applicable).
- All images must be high resolution *(300dpi or more)*.
- No important information (such as text copy) within a 5mm margin of the trim edge.
- All colours within the CMYK colour profile.
- PDF files are referable and should be used unless arranged otherwise.

BLEED To achieve edge-to-edge printing, most jobs require background elements and images to be extended beyond the edge of the final document size. This extension is called “*bleed*”, and is trimmed off during finishing.

PROOFING Artwork prepared by us will be presented to you for your *final approval* before printing. Upon written confirmation of approval, you will be responsible for the accuracy of the artwork.

COLOUR Colours used in all artwork must be CMYK only. *(unless prior approval of spot colour is received)*. Any RGB elements in your job will be converted to CMYK prior to printing, and some variation in colour reproduction is likely to result.

All care is taken to reproduce colours as specified, however some variation is usual. Matching to a specific colour is not always possible and is not guaranteed. Where exact colour matching is required, it is essential that this be discussed at the time of ordering and documented in writing.

PAYMENT Standard terms are **50% of the total cost on order** and balance on completion. For small jobs (*< \$200*), payment in full on order may be required.

In exceptional circumstances, credit may be extended to qualified clients after the appropriate approval process has been completed.

Payments are accepted by **EFT** *(bank transfer)*, **EFTPOS** and **PayPal**. Cash or cheque may be accepted, subject to management approval.

TURNAROUND Typical production times are as follows:

- Copy Centre jobs - *1 hour to 1 day (as applicable)*
