Orders under \$300 are subject to delivery charges as follows:

Sydney & Newcastle (Ex GST) \$8
- NSW Country & Interstate (Ex GST) \$20

ARTWORK

You may submit your own artwork.

OR we can prepare it for you *(charges apply)*.

Submitted artwork must be in an approved **print-ready** format including:

- “Outlined” (curved) fonts.
- Minimum of 2mm bleed on each edge.
- All images must be high resolution *(300dpi or more)*.
- No important information (such as text copy) within a 5mm margin of the trim edge.
- All colours within the CMYK colour profile.
- PDF files are preferred and should be used unless arranged otherwise.

BLEED

Where edge-to-edge printing is required, background elements and images must be extended beyond the edge of the final document size. This extension is called “*bleed*”, and is trimmed off during finishing.

T&C

Full terms and conditions are located at cvpd.com.au

PROOFING

Artwork prepared by us will be presented to you for your **final approval** before printing. Upon written confirmation of approval, you will be responsible for the accuracy of the artwork.

COLOUR

Colours used in all artwork must be CMYK only. *(unless prior approval of spot colour is received)*. Any RGB elements in your job will be converted to CMYK prior to printing, and some variation in colour reproduction is likely to result.

All care is taken to reproduce colours as specified, however some variation is usual. Matching to a specific colour is not always possible and is not guaranteed. ***Where exact colour matching is required, it is essential that this be discussed at the time of ordering and documented in writing.***

Please note that some programs only use RGB colour models and are generally not suited to printing (eg Canva & Word). We will have limited ability to reproduce colours from these programs.

PAYMENT

Standard terms are **50% of the total cost on order** and balance on completion. For small jobs (< \$200), payment in full on order may be required.

In some circumstances, credit may be extended to qualified clients after an application is completed and approval provided in writing.
